- 45% Smaller
- 30% Lighter
- 27% More Oxygen Per Pound
Compared to the Inogen One G2

*Included with system

**Accessory sold separately

Oxygen. Anytime. Anywhere[®]

The new Inogen One[®] G3 delivers the independence of previous Inogen One portable concentrators, but it's smaller, lighter, and makes more oxygen per pound. It's a portable concentrator light enough to be worn care-free by the active oxygen user. That means there are no tanks to refill and no worry about running out of oxygen.

The Inogen One[®] G3 is your one solution, your single solution, for oxygen at home or away. The Inogen One[®] G3 is Oxygen. Anytime. Anywhere[®].
